Dear Mr. Botha,

**RE: PRODYNAMIQUES MIXED BERRY,VANILLA, MANGO AND ORANGE 500 g
CONFIRMATION**

Kindly be hereby informed that Pro-dynamiques Mixed Berry,Vanilla and Mango Orange 500 g Powder is manufactured by Mobile Therapy CC t/a MJ Labs per allocated batch number and expiry date. This product is doping free and does not contain any ingredients on the WADA list. MJ Labs can be contacted for confirmation of specific batch numbers manufactured and packed.

MJ Labs is a South African Health Products Regulatory Authority (SAHPRA) licensed manufacturer with license number 0000001275-2 (valid until 18 October 2027). This is only granted after positive GMP inspection by the regulator. South African Pharmacy Council Certificates held by MJ Labs – Pharmacy Owner, Grading Certificate Grade A, Recording of a Pharmacy etc. MJ Labs is also in possession of a South African National Department of Health Manufacturing Pharmacy Certificate (GP00332M). The Certificate of Acceptability for Food Premises is available with certificate number R6/COA1088-05/21. The South African National Department of Health granted MJ Labs registration as a fortification mix manufacturer, supplier, and importer, dated 31 July 2023.

Accreditations and certifications are confidential legal documents and are available for review during a formal audit. All certifications can also be verified on different certification bodies' websites. Copies of certificates can be directly forwarded to the Regulator of the applicable country for export, if required.

Do not hesitate to contact the undersigned should you require any more information.

Yours faithfully

Mrs. Nadia Lamprecht
Responsible Pharmacist (B.Pharm)
